Year 8 - Home Learning Buddhism

Summer Term:

All home learning must be completed in your home/independent learning book. Your teacher will stamp or initial your work each week to indicate that they know you have completed the task. Your home learning will then be formally assessed and will receive an Assessment Level at appropriate times in the year. Some of the topics you will have studied already and some will form preparation work for the next unit of work.

Task 1:

Do you think it would be possible to reach enlightenment while living an ordinary, comfortable life? Why/why not?

Give two reasons for your point of view.

Task 2:

Imagine you are Siddhartha. Write half a page describing a normal day.
